

Poster Contest Winners 2014

Dig Deeper - Mysteries In The Soil

The annual National Conservation Poster Contest provides kindergarten through 12th grade students with an opportunity to share their thoughts about soil, water and related issues. It also highlights the educational efforts of the local soil and water conservation districts.

Forty-six counties in Missouri participated in this year's event, sponsored by the Missouri Association of Soil and Water Conservation Districts. These posters were selected as the state winners because they best convey the idea of the theme, *Dig Deeper - Mysteries in the Soil*. The posters then advance to the national competition, sponsored by the National Association of Conservation Districts.

Class K-1
Tailor Cleveland
1st Grade
Crane R-III
Stone County

Class 2-3
Bailee Butler
3rd Grade
Daly Elementary
Howard County
